Re-zoning moratorium advised

A workman at Commonwealth Edison's new Zion Nuclear Generating Station is dwarfed by the reactor unit, one of two to be installed at the facility. The rods on the right can be lowered into the "nuclear pile" underneath the floor to control the rate of the spontaneous chain reaction. The station, which ultimately will produce about 20 percent of the power used in the Commonwealth Edison system, was dedicated Thursday, October 4. (Staff Photo)

There will probably be a six-month moratorium in Antioch on all village zoning changes and changes in the district map.

The Planning Commission voted at its October 4, meeting to recommend the standstill to the Village Board at the Board's next meeting.

The moratorium will give the village planner adequate time to proceed on a comprehensive village plan.

CABL Corp, which is requesting re-zoning and annexation for a large planned development, was well represented at the meeting, Dr. Edward Abderholden, Dr. Albert Bucar and Dr. John Lorang all being present. In attendance also was CABL's professional planner, Norman Drummond.

The action originally was suggested at the commission's previous meeting September 13. Some members of the commis-

sion had remarked that it looked to them as though property owners were trying to get zoning changes through before the comprehensive plan was completed.

At that meeting Commission members had also expressed concern over the number of requests for multiple family zoning received in recent months.

Bruce Christensen of the Harland, Bartholomew and Associates planning firm had advised against allowing too much spot zoning. He said it would be difficult to make a sound decision on the granting of specific requests until the comprehensive plan becomes at least partially completed.

Village Clerk Marilyn Sterbenz said she believes the Village Board will act positively on the recommendation at its next meeting.

Sewer Plan revisions affect Channel Lake, Grass Lake areas

The first phase of the Lake County Regional Wastewater plan between Fox Lake and Grass Lake Road may be under construction on schedule early next year.

This was the implication given at a public hearing held Wednesday, October 3, in Fox Lake to discuss the North-eastern Illinois Planning Commission's (NIPC) Regional Wastewater Plan for the northwest sector of Lake County.

Previously, some area officials had questioned whether the Lake County Department of Public Works (LCDPW) could actually get the project off the drawing boards as early as the Department had predicted.

However, the preliminary version of NIPC's "Transition Plan and Program" for this area, amended just last month, which was under discussion at the hearing, includes a projects timetable slating construction of the first phase during 1973-75.

This was supported by Robert Deegan, head of LCDPW, who said, "We will have our drawings completed by December 1 (of this year)."

The matter of financing the construction was not discussed during Wednesday's hearing.

Neither were two proposed revisions in the plan which directly affect areas near

ROBERT DEEGAN

Antioch. The revisions were listed among six specific topics on which comments were solicited.

The NIPC plan had proposed "an interceptor sewer extending in a westerly direction from Antioch, generally along Illinois Highway 173, to the general vicinity of the Fox River, (and) a branch northward, generally along (Lake Avenue), to service the area of the west shore of Channel Lake."

But the NIPC planners have now changed their minds. Because it is seen as more desirable to maintain open spaces in this area, NIPC now

S.O.S. PROGRAM SET FOR 21st

Antioch area residents will have the opportunity to receive a complete eye examination Sunday, October 21, in the commons area of the Antioch Community High School.

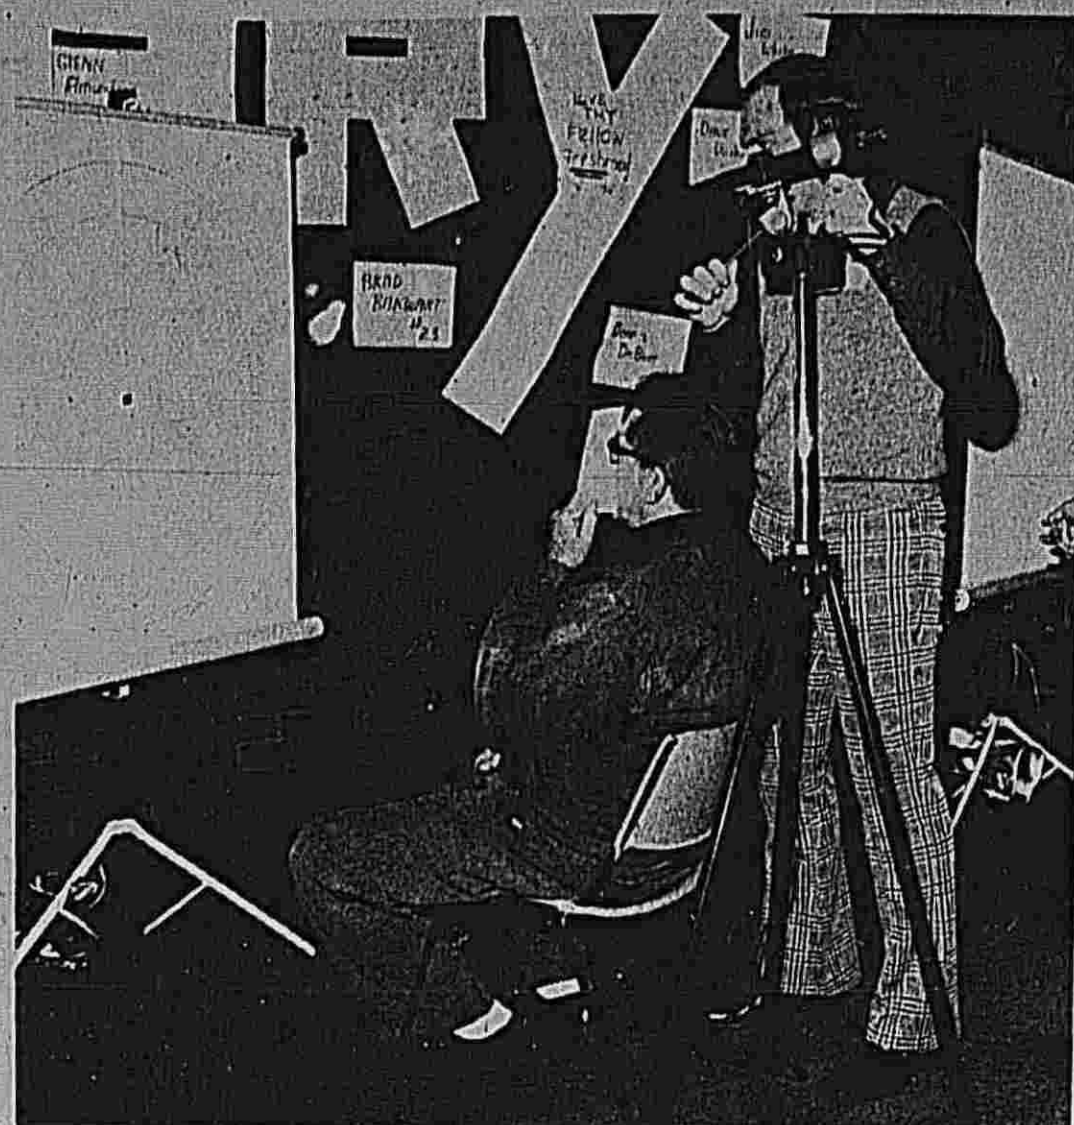

The Antioch Lions Club will sponsor the "Save Our Sight" eye examination program which will last from 10 a.m. to 4 p.m. Nine different vision tests for far vision, near vision, depth perception, glaucoma, color perception, hyperopia, eye pressure and muscle balance.

The testing equipment will be rented from the Vision conservation Institute and except for the glaucoma testing machine, will be manned by Lions trained by Fred Marvin of the VCI.

Persons taking advantage of the program will receive preliminary results of the tests before they leave the high school and later on through the mail receive a finalized evaluation of their eyesight.

The Lions Club will rent the machinery for \$300 with part of the money coming from the proceeds of Candy Day this Friday and Saturday, October 12 and 13.

In 1971, the Lions tested about

Lions Club member Don Walsh conducts one of the many vision tests in last year's "Save Our Sight" program. The free vision testing will be offered at Antioch Community High School on Sunday, October 21. (Staff Photo)

POWER NEEDS TOLD

a thousand persons in the S.O.S. program. In 1972, the number increased to almost 1200. This year, he said they hope to test even more.

The Antioch Lions Club is to receive an award from the VCI at their annual banquet in November for their S.O.S. success.

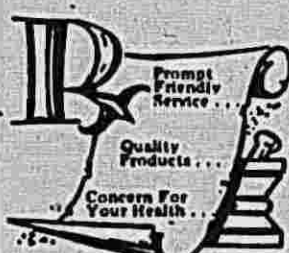

Meeting growing electricity needs of customers over the next 10 years will require the investor-owned electric utility industry to add some 300 million kilowatts of new generating capacity and to spend more than \$205 billion, according to the Edison Electric Institute.

AMERICAN CANCER SOCIETY BIKE-A-THON

Miles=\$\$ For Cancer

Your chance to put your body to work for the American Cancer Society comes this Saturday. (If it rains Saturday, your chance comes on Sunday).

The second annual Partridge Family Bike-A-Thon will set off from the Antioch Fire Station, Orchard and Broadway, at 10:00 a.m. Mayor Robert Wilton has promised to lead the cyclists; though, the distance he plans to cover is a tightly guarded secret.

Riders will have secured sponsors, who agree to pay a certain amount for each mile ridden. Bicycles will be awarded to the three individuals with the largest total contributions per mile.

Local chairman of the event, Pres Reckers, stresses that riders may go around the seven-mile circuit as many times as they wish to earn a greater contribution for the fight against cancer.

MEMBER OF ILLINOIS PRESS ASSOCIATION AND NATIONAL NEWSPAPER ASSOCIATION

NEWSPAPER: THE STANDARD BEARER OF FREEDOM

This is National Newspaper Week, a time set aside to honor that for which this country's newspapers stand--the Constitutionally given right to freedom of expression.

So long as America's press is strong and independent enough to print news and editorial opinion without censorship, every American citizen will also have that same right.

However, should the American press weaken, so will the strength of the voice of the American people.

You say it will never happen--that the voice of the American people will always be heard.

America is just a name. It has no magic power that will insure freedom. Our freedom was earned and now it must be maintained. The greatest threat comes from within--from our government and, sadly, from ourselves.

You, the American people have a responsibility to yourselves to maintain and use the freedom you have inherited.

The most effective way of doing this is to support you local newspaper, the standard bearer of your freedom.

A paper is "your paper" not just because you have given 15 cents for it at the local drugstore or because it happens to bear the same name as the town in which you live. It is "your paper" because it concerns you and every phase of your community life from the smallest social activities in which you participate to the economic and political problems your town faces.

Just as a local newspaper has the responsibility to seek out and present the truth in community matters and to express thoughtful editorial comment, so does the community owe the newspaper a responsibility.

The community owes its paper involvement. Without involvement a paper becomes stale.

Many businessmen realize that in helping to preserve the press, they act to preserve their own freedom and their right to carry on independent business.

In turn, the hometown newspaper, because it is widely read in the community, offers to businessmen the best medium for getting news of their civic projects and their product to the public.

Let us hope, in this, National Newspaper Week, that the free American press tradition will be forever carried on and that in years to come, the local newspaper will be, even more than in past years, the great binding element in community life.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

To The Editor:

The Committee for Legislative Reform has begun a campaign to improve the Illinois Legislature through a Constitutional Amendment of historic importance.

The Amendment would cut the number of State Representatives by one-third and provide for their election from single-member districts. The number of representatives would be reduced from 177 to 118. They would be elected from 118 separate districts, created by dividing in half the present 59 House districts.

This campaign is being waged by thousands of persons in an independent, non-partisan effort to give our citizens a representative government for the first time in history.

For more than 100 years, Illinois has suffered under an archaic system of electing representatives from multi-member districts through cumulative voting. The result has been a legislature that does not reflect the will of the people, a legislature subject to the influence of an unrepresentative minority, a legislature of "safe seats" so that the people are denied the right to hire and fire their representatives.

A drastic change is needed now to make the legislature responsible to and accountable to the voters. The Amendment will accomplish just that.

To place the Amendment on the 1974 election ballot, we need 400,000 signatures on petitions calling for a statewide referendum. To accomplish this, we need the help of thousands of volunteers in the suburban area.

We need to help of dedicated citizens to circulate the peti-

It has been erroneously assumed that by summarily rejecting the Vice President's request for an investigation by the House of Representatives of charges and allegations against him, this subject has been laid to rest. However, the House of Representative is not subject to such arbitrary or individual control by the Speaker of the House.

Shortly following the Speaker's rejection of the Vice President's request for a House investigation to determine the question of so-called "impeachable offenses"--or to pronounce his vindication--a Resolution to provide such an investigation was sponsored by 14 members of the House Judiciary Committee (including this Member of Congress). There are substantial precedents for this action, including the celebrated investigations of charges against Vice President John C. Calhoun in 1826 and Vice President Schuyler Colfax in 1873.

The Speaker of the House has claimed that these earlier decisions are distinguishable from the Agnew case. However, it is regrettable and, of course, quite unresponsive to conclude

that no basis exists for conducting such an investigation. Indeed, three of the five legal scholars queried on this subject by TIME magazine concluded that the House leadership acted "improperly." Furthermore, the Resolution is pending before the House Rules Committee where favorable action may be taken at any time--with or without the Speaker's approval. Several other similar Resolutions are pending before the House Rules Committee--with public opinion mounting in favor of according the Vice President the investigation which he has requested.

An additional method of avoiding the summary action taken by the Speaker of the House of Representatives is to be found in the so-called "Privileged Resolution" proposed by Congressman Paul Findley of Illinois. This procedure authorized by Rule XXII of the House of Representatives involves a so-called "Resolution of Inquiry" directed to the Attorney General to produce all of the facts within his knowledge relating to charges against the Vice President. This Resolution has been referred to the Judiciary Committee where an early hearing is scheduled and where an amendment might be adopted, which would enable the Vice President to receive the hearing he desires.

There appears to be increased popular support for action in the House of Representatives to permit the Vice President to meet the pre-judicial charges and allegations which have resulted from so-called "leaks" in the Justice Department or elsewhere.

The House of Representatives is not helpless--nor is it subject to one-man rule by the Speaker of the House. It may come as a surprise and with a degree of disappointment to some that the House may soon, in effect, reverse the Speaker's decision--and undertake an investigation of the pros and cons of the Spiro Agnew case.

The Constitution and Rules of the House permit such action and--would seem indeed to require it.

tions. We need funds to defray printing and office expenses through membership dues of \$10 and larger contributions.

Reform the Illinois Legislature by donating a small amount of your time and money to this unprecedented reform movement. Contact the Committee for Legislative Reform in writing at; Room 800, 39 S. LaSalle St., Chicago 60603.

Sincerely,

Robert W. Berstrom
Chairman

Ask the Governor

Q. Do you plan to continue the developmental program for small communities?

A. Yes, I can see a day coming when government is going to be spending massive amounts of money trying to get people to move from our large metropolitan areas back into the smaller communities. Everything the government can do now to encourage the smaller communities to stay alive, to thrive, to keep the younger people there, to get business there, is like a dollar spent now to save \$25 later. Yes, indeed, we will continue this program. It is one of the major assignments of the Department of Local Government Affairs.

Q. I speak for some alcoholics. I would like to know why anybody would want to sign a bill to allow 19-year-olds to drink?

A. I did sign that bill. I share the concern about alcoholics. I've come into contact with that problem a number of times in my life. I will have to say this, though. If an 18-year-old man is old enough to go to Vietnam

and get killed, if he's old enough and mature enough to be able to vote for the office of President of the United States, then I have grave difficulty in understanding why he is not old enough to drink a can of beer. I might add that I don't know many 18-year-olds who haven't already had a can of beer.

Gov. Dan Walker invites you to question him about State government and what State government should be doing for people. All questioners will be answered by letter by Gov. Walker and some of the questions and answers will appear, probably condensed, in this column. Letters must be signed and an address provided. Send to: ASK THE GOVERNOR, Illinois Information Service, 105 State Office Building, Springfield, Illinois 62706.

The first few columns will use questions and answers from Gov. Walker's accountability sessions being held throughout the State. As soon as the mail develops, the Governor will use the mail questions.

P+M+L X 13= LIFE FOR THE ARTS

All life, it is said, is based upon imitation. We do what we see others do, and thus knowledge is gained, traditions established, and - perhaps - history repeated.

Imitation - acting like another - then, is natural to man. We all do it without thinking.

When we do it with thinking, we are consciously "acting". We are called an "actor" (or "actress" in the pre-liberation days).

Seen in this light, it is not so unusual that groups of people in almost every county in the United States get together to "put on a play." Even greater numbers of people come out to watch this bit of conscious imitation of life.

The story of Antioch's PM & L is basically the story of all such organizations. Yet, this local band of thespians is unique in some ways.

Take the name, for instance - Palette, Masque and Lyre. The purpose of the group goes beyond just putting on plays. PM & L is actually a not-for-profit corporation chartered by the State of Illinois. Its purpose, as stated in the original charter is - "to promote the fine arts by producing plays, art exhibits, music concerts, musical comedies, and instructing in the same."

As a partial fulfillment of this goal, some sort of art exhibit is planned in conjunction with each dramatic production.

In the early days of PM & L's existence, there was a loose affiliation with the Antioch Art League; however, the two groups have since gone their separate ways.

For the most part, however, the three fine arts - art, drama and music - still come together for PM & L on the stage. Each play must have a set and costumes of some kind, which provide creative outlets for the artistic. Several of the dramas given each season are musicals, requiring both singers and instrumentalists.

Ken Smouse, one of the first organizers of the corporation still very active in it, points out a very practical reason for the group's major emphasis on drama, with but a touch of art and music. "We have to always go back and capitalize on the fact that the drama aspect carries the group financially."

Drama has been the main stay of PM & L for all of its 12 years. The fact that the organization has lasted this long is, in itself, somewhat

unique.

Says Ken Smouse: "The miracle is that we're still in existence after 12 years. So many groups come and go."

To what does he attribute PM & L's longevity?

"Part of our success has been in keeping on a strict budget, not going in for elaborate sets, trying to re-use as much as possible."

In 1960, when 12 Antioch area people decided to "put on a play," they each contributed \$10 to get the idea off the ground.

The play chosen was "The Tender Trap." It cost \$290 to mount the production, and ticket sales brought in \$280. The \$10 loss was covered from the founders' original investment, leaving something to begin preparations for another effort to coincide with the Civil War Centennial.

PM & L's first home was the Antioch High School. After three years there, the group was offered an opportunity to rent their own permanent home in the old Lakes Theatre building on Main Street at the north end of downtown Antioch. With the exception of one year at the Antioch Country Club and a brief return to the high school, plays have been mounted in the building - now called the PM & L theatre - since 1963.

The 13th Season is now beginning. Already that natural urge toward imitation has brought some 15 or 20 people together to work on a particular "slice of life" called "The Solid Gold Cadillac." It will be the first of four offerings in Season 13.

Not only do these people personally enjoy their conscious efforts at acting, they feel that they fill a need in the community.

"We have about 500 season ticket holders from all over northeast Illinois and southeast Wisconsin, says Ken Smouse. "Some come from as far away as Chicago. The fact that we have that many indicates to me that we're wanted."

Ken's wife, Betty, adds that season tickets are still available. As a matter of fact, if they are purchased before October 15, they cost only \$8 for all four plays. After the 15th, the price goes up to \$9. (PM & L's address is P.O. Box 23, Antioch.) This represents a real bargain, according to publicity director Hank Apostol. If tickets for each production are bought individually at the door, the total cost would be \$10.50.

Is it all worth it?

Ken Smouse thinks so: "I

Above: PM & L's Best Actor and Actress, Lou Jones and Nanci Eberman, re-enact a scene from the Best Play, "Man of La Mancha," at the annual Awards Banquet.

Below left: Director of the Best Play, Ken Smouse, thanks the group for his award.

Below right: Donna Mascari (left) receives the "Mr. Thespian" trophy from Val Hunley. (Staff Photo)

think we make a contribution to the community. We have an annual budget now of about \$8000, which goes into the local economy.

"Outside of the economic contribution, and I know people who have - at least to some extent - made a decision to live in the community because of the presence of the live theatre group.

"And besides," Ken points out, "we add a little bit of life to the north end of Main Street!"

Awards Given for PM&L Efforts

The efforts of dozens of area theatre buffs were honored at the annual PM & L Award Banquet, held Saturday evening, October 6, at the Village Inn, Twin Lakes, Wisconsin.

From the many nominees, the following actors, backstage workers, and plays were singled out, by vote of the members, to receive plaques:

-Outstanding service to PM & L: Betty Smouse

-Outstanding production support: Tracy Teltz.

-Best musical support: Tracy Teltz.

-Best set for setting design: Man of La Mancha.

-Best costumes: Man of La Mancha, Aileen Biel.

-Outstanding performance by an actor in a supporting role: Lou Jones in Paisley Convertible and Don Beveroth in Man of La Mancha.

-Outstanding performance by an actress in a supporting role: Lillian Allen in Paisley Convertible.

Outstanding performance by an actor in a leading role: Lou Jones in Man of La Mancha.

-Outstanding performance by an actress in a leading role: Nanci Eberman in Man of La Mancha.

-Best Show of the Season: Man of La Mancha, Ken Smouse, director.

-Hunley "Mr. Thespian" Award: Donna Mascari

DEUSTER ASKS SIX-COUNTY TRANSIT VOTE

State Representative Donald E. Deuster (R. Mundelein) has urged Illinois political leaders to agree on a six-county mass transit referendum to be held on March 19, 1974, the day of the regular party primary elections.

In identical letters to Governor Dan Walker, Chicago, Mayor Richard J. Daley and House Speaker W. Robert Blair, Deuster said: "Enabling legislation to authorize a six-county transit system for Northeastern Illinois should

provide that the RTA be established only after ratification by the voters of the region in a referendum."

Deuster supports the "building block" concept of Cook County Board President George Dunne. According to Deuster's suggestion, "Each of the six counties of Cook, Lake, McHenry, DuPage, Kane and Will would become part of the system if the majority of voters in each county so elected."

In Deuster's opinion "the key" for securing General

Assembly action on RTA bill in October is the referendum provision. He stated: "As a suburban Representative, and as sponsor of House Bill 1046 to create such a six-county system... I am confident that the voters in all six counties will indeed choose to ratify a good "proposal."

To underscore his optimism, Deuster observed that the voters in the six-county Denver Colorado, region approved a new transit district on September 7, 1973, by a 59 percent vote margin.

RECOMMENDED MAILING DATES FOR HOLIDAY PARCELS

Urging all customers to mail as early as possible, the U.S. Postal Service has announced the following series of recommended mailing deadlines for the convenience of mailers:

ings and parcels to Armed Forces in South and Central America, Ethiopia, Iran, Israel, Saudi Arabia, Turkey, Antarctica, Australia, Burma, Indonesia, Japan, Korea, New Zealand, Okinawa, Philippines, Taiwan, Thailand and Vietnam-International surface parcels to Canada and Mexico; December 7-International surface greeting cards to Canada and Mexico; December 8-Airmail greetings and parcels to Armed Forces in Canada, Greenland, Labrador, Newfoundland, the Congo, Liberia and the Azores-International air parcels to Africa, the Near East and the Far East; December 10-Surface parcels within the United States (except Alaska and Hawaii); December 11-Airmail greetings and parcels to Armed Forces

in Belgium, Denmark, England, Finland, France, Germany, Greece, Italy, Norway, Netherlands, Portugal and Spain-International air parcels to Europe, South and Central America; December 14-International air parcels to Canada and Mexico-International air greeting cards to Africa, the Near East and the Far East; December 15-Surface greeting cards within the United States, including Alaska and Hawaii; December 16-International air greetings to Europe, Central and South America; December 19-International air greetings to Canada and Mexico; December 20-Air greetings and parcels to Alaska and Hawaii; December 21-Airmail parcels and letters within the United States (except Alaska and Hawaii).

STATE LAWS VARY ON STUDD TIRE USE

The Chicago Motor Club-AAA reminds motorists that Illinois this year has shortened the permissible time period for studded tire use from November 15 until April 1. Previously, studded tires had been permitted in Illinois from October 1 to May 1.

As the winter driving season approaches, the Motor Club advises motorists to become familiar with, and observe, the varying state and provincial laws on permissible studded tire use.

The Motor Club reminds motorists who plan to travel outside their home states that the laws of the state in which they are traveling take precedence.

Sewer Plan revisions affect Channel Lake, Grass Lake areas

Continued from page 1

recommends that the proposed interceptor end just south of Channel Lake, and that local sewer lines be extended to service the west side of the lake.

It is also the opinion of the NIPC staff that an interceptor sewer be constructed "from a point generally south of Grass Lake, extending in a northeasterly direction, to the vicinity of Illinois Highway 59." At that point, it would join a larger interceptor running down Route 59 to Fox Lake. Currently, LCDPW does not have plans for an interceptor in this area. Such a sewer would service the many developed areas off of Grass Lake Road.

Since there was no opposition voiced to these proposals at the Fox Lake hearing, the chances appear strong that they will become part of NIPC's official recommendations.

CANDYMEN TO TAKE TO STREETS

Eighty candymen will take to the Antioch streets Friday and Saturday to raise money for the blind.

The candymen are members of the Antioch Lions Club, and they will be hoping to top last year's candy sales total of \$2497.

Leader of this year's candy drive Don Walsh said this year the group hopes to reach the \$2700 mark. Walsh said men will be stationed at ten different strategic locations in Antioch from noon Friday, October 12, to noon Saturday, October 13.

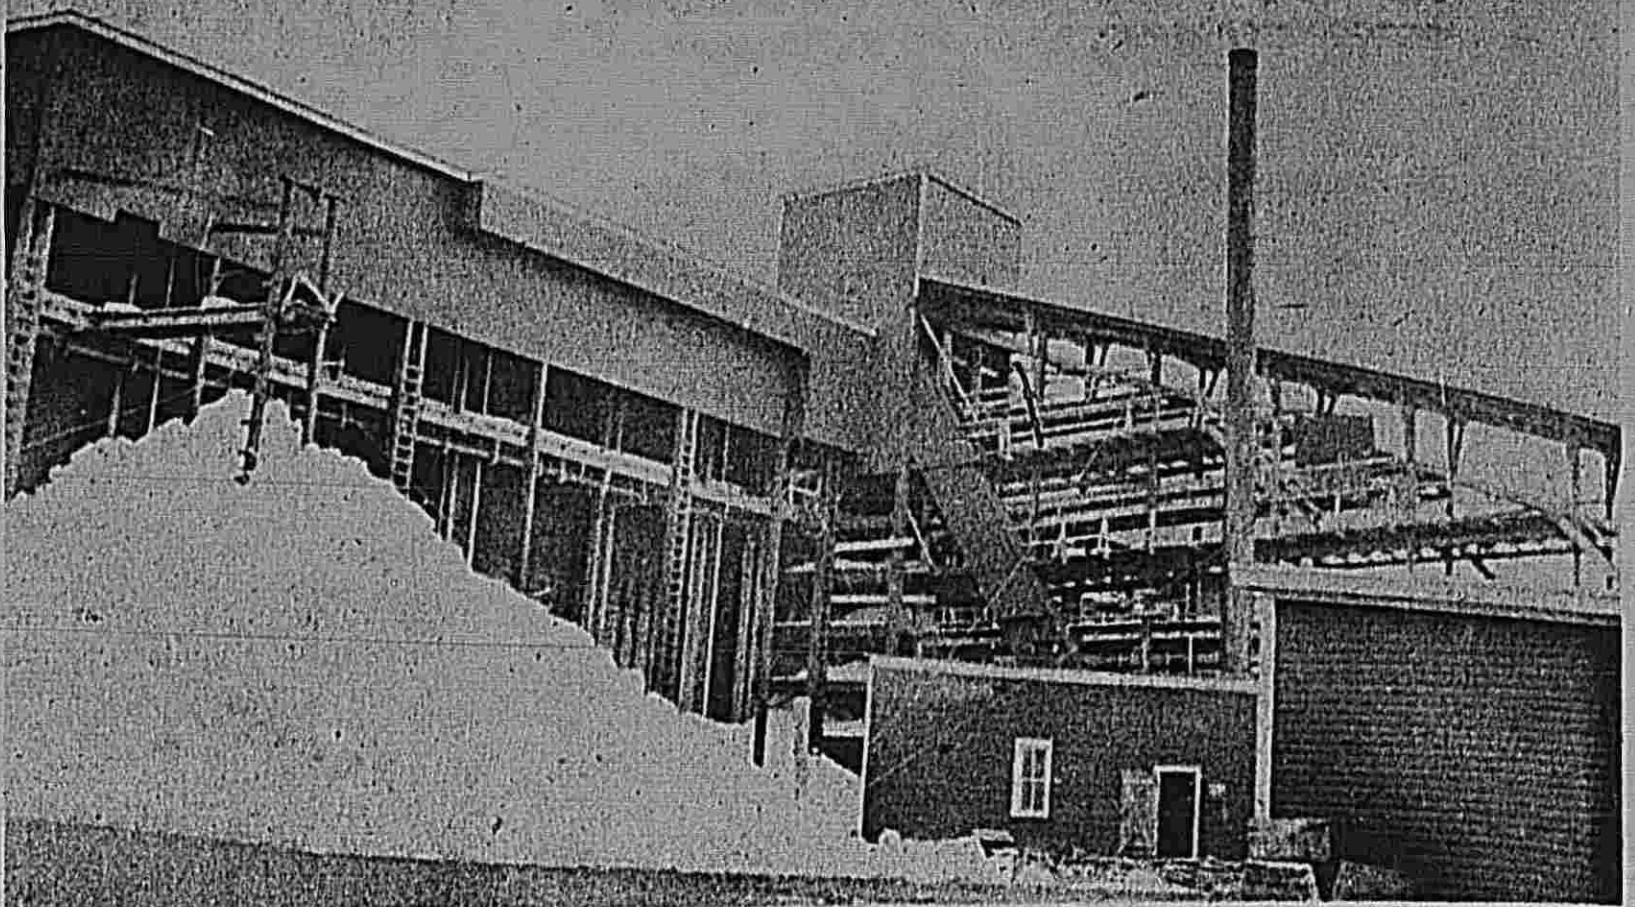

Walsh said he figures this year the Lions will sell over 6300 rolls of candy. As in

previous years since 1966, the candy will be donated by the State Bank of Antioch.

No price is set on the candy. The Lions Club "gives away" the candy in exchange for contributions.

Proceeds from the drive will be used for such things as the providing of free education to blind persons at the Hadley School for the Blind and the training of leader dogs as "eyes" for the blind.

The money will also be used to help publish "Dialogue", a tape recorded magazine for the blind, and for the setting up of mobil glaucoma clinics for the prevention of blindness, as well as for many other projects.

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Historical Society sets up committees

Persons interested in forming an Antioch Area Historical Society met for the second time Thursday, September 27.

Head Librarian Betty Lu Williams, one of the leaders of the drive to organize the society said two committees were set up at the meeting.

One committee will compose a list of nominees for officers' positions. Miss Williams said voting for officers will probably take place at the next meeting Thursday, October 25.

Another committee was set

up, she said, to draft a set of preliminary by-laws and articles of organization. The committee is studying the by-laws and articles of historical societies of other cities, especially those of the society in Burlington, Wisconsin, which has been in existence since the 1920's.

Miss Williams said there are now about 50 persons, both men and women, in the Antioch area who are interested in joining the historical society.

She said that despite the fact the group is still in an organizational state, it already has a considerable amount of material to catalogue. One member, Eileen Lewin, has even taken on the task of tape recording interviews with members of the community who have interesting bits of history to unfold. Miss Williams said pertinent parts would then be edited out of the tapes and put into print in the society's records.

American Legion Auxiliary

At the recent Department board meeting of the Illinois American Legion Auxiliary, held at the Pick Congress Hotel in Chicago, Mrs. William J. Stringer of Oak Park, State President, officiated at all sessions.

Representing the 10th District Auxiliary were Mrs. Norman Holt of North Chicago, 10th District President; Mrs. Herbert Gleason of Libertyville, Department Assistant Sergeant-at-arms; Mrs. Richard Stastny, Mundelein, State VAVS Downey Representative; Mrs. John Chudzik, Lake Zurich, State veteran's craft member; Mrs. Joseph Hogue, Waukegan, State member children and youth commission; Mrs. Ted Odom, Libertyville, district vice president; and Mrs. Robert Broege, Deerfield, 10th district rehabilitation chairman.

Under the state children and youth program with Miss Geraldine Riden of Peoria as state chairman; there will be an increase in the money given the Illinois Sailors and Soldiers' Children's School (ISSCS) at Normal, so that these children will receive more money in their spending money fund. More money is needed for the Christmas presents program.

Good citizenship awards will be presented to the ISSCS boy and girl with the most outstanding record as a young citizen. The Department American Legion Auxiliary will again sponsor a girl scout troop for the ISSCS girls - they have sponsored a troop for over the past 30 consecutive years. A large donation will be given to the National American Legion Child Welfare Foundation. Members are asked to work even harder with the drug abuse problem, especially on the local level. Awards will be given to Units with a membership of 150 or less; and to Units with 151 and more for the best year round program in

the children and youth field. Juniors are again asked to give stuffed toys for the physically and mentally handicapped children in state hospitals, homes and schools.

Since National American Legion Auxiliary by-laws decreed that no person can legally hold two high state elective offices at the same time, Mrs. Jerome Murphy of Aurora, resigned her office of 2nd Division President; and retained the office of Department Historian. An election was then held by the state voting officials. Mrs. Charles Buller of St. Charles, 11th District, is the new 2nd Division President.

Mrs. Buller announced that the Fall meeting of the 2nd division will be held at the Ingleside Town Hall, November 4th, at 1:30 p.m. For the first time, the Department Caravan will be conducted in conjunction with the division meeting. More information will be forthcoming at a later date.

The first meeting of Susan Rathmann, Antioch as district junior president will be held on October 26th, at 7:30 p.m., at the Libertyville American Legion Home. Mrs. James Raihle, Round Lake, reminds members that the 10th District's installation of officers is October 12th, at 8:00 p.m., Antioch Upper Grade School.

The first board meeting of the 10th District Auxiliary will be held at the Lake Forest American Legion Home, at 8:00 p.m., on October 29th, under the leadership of Mrs. N. Holt, District President.

FIRE PREVENTION WEEK
OCTOBER 7-13

TRAVELING WITH TAFFY HAWAII

As the S.S. UNIVERSE docked in the port of Honolulu, many students expected to see coconut trees, fields of sugar cane and loads of hula dancers in grass skirts. Surprisingly, our view consisted of Coca Cola signs, towering hotels and people bustling to get their shopping finished.

Yes, many parts of Hawaii today are very commercialized and arranged for the convenience of the tourist but if you know WHERE to go, Hawaii can still be an experience to remember.

My roommate and I decided from the beginning that we wanted to find a native Hawaiian to take us sightseeing in the real Hawaii, not just the city tourist traps. As we strolled down the busy streets, we stopped in various side shops and talked to many friendly people, most of which were vacationers. We walked and walked down the streets surrounded by coconut trees until we finally realized that we had gotten lost. Luckily, we had a copy of Hawaiian words and phrases which we THOUGHT would be very helpful. We found a policeman to whom we started asking questions in Hawaiian. He looked puzzled and didn't answer. After a short lull, he replied, "Hi, can I help you?" We were relieved but disappointed at the same time. We asked him how to get back to the main street to which he said, "I'm sorry, I don't think I can be of much help to you. I just moved here from New Jersey." We laughed and talked and decided to forget about our Hawaiian vocabulary as we vowed to take the bus

to our next destination.

Hawaiian food is delicious. Their specialty is saimin which is a type of fishy soup with noodles. You haven't lived until you've had an "ono" milkshake, which is made with peanut butter. In Hawaiian, ono means delicious but it is also somewhat of a brand name for peanut butter shakes. They often mix other flavors with the peanut butter such as banana or pineapple. Green tea sherbet was another surprise, but not a very pleasant one!

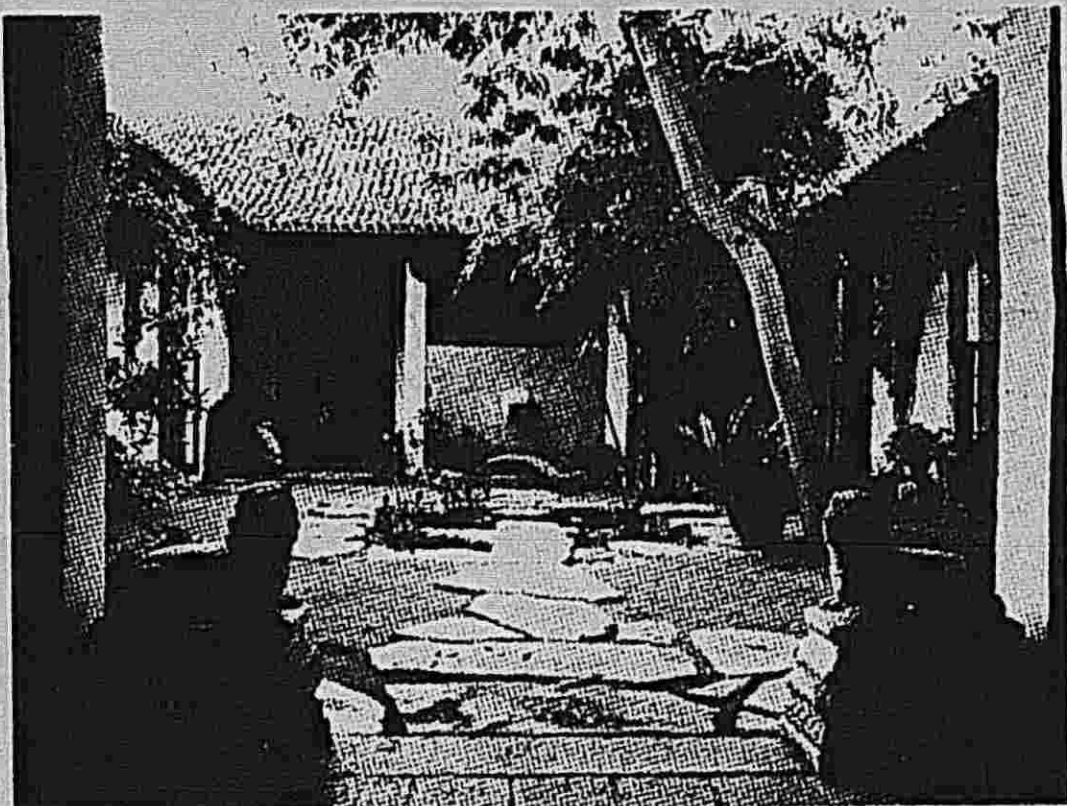

The following day we went on a city orientation to the Bernice P. Bishop Museum's Planetarium for a show, "Polynesian Skies: Migration and Navigation across the Pacific," followed by a visit to the Museum proper for an introduction by the Museum's director and an on-your-own tour of the exhibits and artifacts. We then went to the Falls of Clyde Maritime

Museum on the world's only surviving four-masted sailing vessel and after a brief stay, to Waikiki and Heritage Theatre where we saw a lovely performance on ancient Hawaiian dances and chants. The remainder of the day was spent in Waikiki for swimming and shopping.

While shopping, we finally met a real Hawaiian, although he wasn't exactly the native type. He agreed to take us sightseeing and later picked us up in his red MG. We were awed by the beautiful scenery. The mountains were covered with forests and wild flowers with a scent so fresh that it makes you dizzy. Many people were clothed in muumuu's, but we guessed that most of them were tourists.

We were pleased when our new friend took us to his home and serenaded us although we didn't hear Hawaiian chants, but folk songs popular in the mainland. As he played guitar, we sang along with him and really became close friends before our short stay ended.

Our last day in Hawaii was really great. The first part was spent at the Honolulu Academy of Arts and also the Alice Cook Spalding House. They were so impressive. The Art Center is said to be "a living, vital and heartwarming place where people are made aware of man's freedom of spirit." It is not a typical museum. At one time, it was the estate of Alice

THE ORIENTAL COURT

Cook Spalding until she decided to transform it into a museum. There are over 30 exhibition galleries opening into breathtaking garden courtyards. The tranquil Chinese Court is reminiscent of Old Peking gardens. The Academy interior, with its striking arrangements of tropical flora, is a place for repose and refreshment of the spirit. The Academy has selections representing many world cultures. They have an outstanding collection of Asian treasures, including paintings, screens, sculpture, lacquerware, porcelain and furniture. Occidental holdings range from ancient Mediterranean to contemporary works and decorative arts of Europe and the United States.

Next week, Taffy's adventures in Hawaii will be continued along with her thoughts on polynesian culture and more pictures. After Hawaii, her next port will be Japan.

The PM & L Annual Awards Banquet held last Saturday evening at the Village Inn in Twin Lakes was truly elegant! The food was good and the fellowship better. Entertainment for the evening was a capsule-sized sampling of the Season XII shows. Congratulations to all who won the deserved awards. The feature article this week gives the complete list of winners.

But - can't help but mention Ken and Betty Smouse who so deserved their honors, and Tracy Teltz, tho never on stage was a very important person in many of the shows. Joe Hunley had everyone in stitches during his monologue before announcing the Mr. Thespis award. This is a coveted award and was appropriately presented to Donna Mascari. I think you could top Johnny Carson or Merv Griffin anytime, Joe! Please warn me next time so I can cram for the quiz tho!

October 16 the season tickets will cost \$9.00 instead of the \$8.00 pre-season cost. Get your order in now and see a show free! Send your name, address and check to PM & L, Inc., P.O. Box 23, Antioch, IL.

Keep your calendar free for November 1. The United Methodist Wesley Evening Circle is making plans for their annual Dessert Style show. Trying a fall program this year ought to get your interest for the holiday fashions. Hear tell the fashions are better than ever. Get your group together and make it a party.

I hear that the stork is hovering over Antioch. Let's all think PINK!!

A special "Hello" to Marie Loomis in sunny Florida! Hear tell she reads the Antioch News every week - cover to cover!!! Glad to see she's looking better!

Dr. and Mrs. Bobzien, Rhett and Liepchien spent last weekend camping in Rockford.

Congrats to Johnny Schmidt who won 1st place in the Zone Punt, Pass and Kick competition in Crystal Lake last Saturday. He will compete again in the District contest to be held at Grant Park next Saturday. Good Luck John!!!

Sharon and Ken Watson were on their way home from a vacation in northern Wisconsin when they came upon Ed and Ev Strang's car in the restaurant parking lot. The Strangs were on their way back to Antioch after a visit with former Antiochites Russ and Judy Stowe. No matter where you go, you can always find somebody from Antioch.

Back to School Nite at the High School was a big success. What's this I hear about Fred Popp having to go to the office for demerits for necking in the halls with Arlyn Schneider; Tom Poulos for gambling in the commons; Jim Kreiger for running in the halls and John Case for wrestling in the hall.

Tsk tsk!!

Mrs. Arthur Radtke of Waukegan visited at the home of her sister and brother-in-law Mr. and Mrs. Paul Chase recently. The former Corrine Mooney, she lived in Antioch for a number of years.

Shirley and Marv Toepper were in town for a few days leaving Jack and Bill Burns back at the ranch to run things. Seems grandma and grandpa were getting pretty lonesome and spent most of their time with their grandson.

Ruby Vos is back home after vacationing with her brother and sister in Minnesota and Wisconsin. They stayed with the Toeppers for about 10 days and then traveled through Wisconsin.

Get well wishes to Emma Zimmerman and Walter Forbrich in Victory Memorial Hospital and Lillian Hass who is recovering from surgery in St. Therese Hospital in Waukegan. Get wells also to Clarence Mair who recently suffered a heart attack and to Lyle Wilson who is recovering from an accident with a saw.

A belated birthday wish to Norma Garvin - her birthday was October 6 - also loving belated birthday wishes to her almost over the hill admirer from Susie-baby. Seems he reached Jack Benny's age on the 9th. Celebrating birthdays this week are Tom Warner & Jeff Smouse on the 10th. Steven Goetzelman and Robert Kubicki on the 11th, Rich Proctor on the 12th and Kathy Proctor on the 14th. Those Proctors better save their money - there's more birthdays coming up!!

Anniversary congrats go to Erna and George Tronzer, Millie and Harold Gaston and Ken and Betty Smouse all celebrating on the 16th. Popular day!

Congratulations to the First National Bank who won a special mention for their excellent annual report from the finance department of the University of Miami's School of Business Administration. Banks from all over the country compete and are judged on the basis of excellence in the information covered, design, layout, special effects, innovation and overall quality.

Don't forget the Antioch Lions Club - Save Your Sight Program at the high school on the 21st of this month. It's free and very worthwhile. Also be generous when these fellas approach you for Candy Day. It's a real good cause.

The High School Marching Band directed by John Olisar will perform at half time during this Saturday's football game with Wauconda. Come out and see their show and help cheer those Fighting Sequoits to victory.

See ya there
Annie Mae

AREA 4-H'ERS CELEBRATE 4-H WEEK

The Sequoit Suzie 4-H group is celebrating National 4-H Week this week, October 7-13.

The Suzies have filled a display case at the Antioch Township Library with various recent prize-winning projects and some of the trophies they have won.

Among the items are a blue crocheted dress made by Lynette Hamlin which won first prize at the State Fair in Springfield this year and a skirt made by Patty Gross that took first prize in the beginning sewing competition at the Lake County Fair this year.

Mrs. Thomas Ashbacher is the adult organizer of 4-H Week in Antioch. She advises the president of Sequoit Suzies Ricci Janka, the junior leader of 4-H Week Cathy Ashbacher and the chairman of 4-H week Rosalie Ashbacher.

The National theme of this year's 4-H Week is "4-H Gets It All Together." 4-H is concerned with helping young people "get it together" to develop the personal skills and attitudes they need to become a complete individual.

In Illinois there are more than 79,000 4-H members, about 1300 of which are from Lake County.

Although 4-H members used to be almost exclusively from a rural background, today many are from urban areas. Thus 4-H programs have been broadened to encompass many more kinds of projects. Today's 4-H projects range from the traditional livestock, crops, cooking, and sewing to projects in aerospace, meteorology and climatology, money management, tourism, photography and arts, crafts and music.

The Illinois 4-H program is

Sequoit Suzies (l to r) Ricci Janka, Cathy Ashbacher and Rosalie Ashbacher point with pride to their club's display at the Antioch Township Library. The display, to celebrate National 4-H Week, contains projects completed and awards won by club members. (Staff Photo)

part of the University of Illinois Cooperative Extension Service. Extension Service advisers in each county carry out local programs. In addition there are more than 16,700 Illinois resident volunteers working with 4-H'ers.

CLEVER CLOVERS ELECT OFFICERS

The first monthly meeting of the "Clever Clover's," local 4-H group, met at the Methodist Church last week to elect officers for the year. Elected President was Judy Houghton, Vice president - Susan Williams, Secretary - Annette Zitkers, Treasurer - Beth McLellen and Reporter - Robert Barnes.

Members also chose the projects they hope to accomplish for the year. Some of the projects offered were on sewing, baking, knitting, ceramics, petrology, and cooking.

On October 13th, the petrology group will meet for a field trip to Lake Michigan.

SEQUITO WARRIORS HOLD ORGANIZATIONAL MEET

The Sequoit Warriors held their organizational meeting Tuesday night, October 4th at the First National Bank multipurpose room. They held an election of officers for the coming year and also chose their projects. Officers for the coming year are: President - Tom Hevrdejs, Vice-President - Jim Nachowicz, Secretary - Al Nachowicz, Treasurer - Lance Buchta, Reporter - Bill Rentner, Sergeant-At-Arms - Rich Larsen. The meetings will be held the first Wednesday of each month at the First National Bank.

4-H Gets It All Together At Lakehurst

The 2nd Annual Lakehurst Display of Lake County 4-H Projects and Activities gets under way Friday, October 19 at 6:00 p.m. "4-H Gets It All Together" is the National 4-H Theme for 1973-74. And Lake County's 4-H members will get together a sampling of over 100 projects and activities at the giant Lakehurst shopping complex. In addition to Friday's display, the 4-H clubs will participate during shopping hours on Saturday and Sunday, October 20 and 21.

Junior Leadership, horse and pony, dog and cat care, public speaking and conservation were just a few examples of 4-H displays in 1972. Others included foods, clothing, dairy goats, sheep and camping according to Bill Messerschmidt, one of two Lake County 4-H Advisers.

Four fashion shows will feature young 4-H ladies modeling their own homemade garments. Chairman of the show is a 4-H'er, Miss Diane Grazier of Warrennetters 4-H club. Fashion show times are: Friday, October 19-7:30 p.m.; Saturday, October 20-11:00 a.m. & 3:00 p.m.; Sunday, October 21-2:00 p.m.

LADY GOLFERS HOLD ANNUAL BANQUET

The Antioch Woman's Golf League will hold their third annual Banquet and Awards Dinner on October 17th at Bristol Oaks Country Club, Bristol, Wisconsin. Cocktails will be at 6:30 p.m. followed by dinner, awards and dancing. Husbands of all the women golfers are invited. The Committee promises this will be as festive and delightful as it has been the past two years. The Golf League is sponsored by the State Bank of Antioch.

ANTIOCH MENTAL HEALTH ASSO. ANNOUNCES FALL LUNCHEON

The Antioch Mental Health Association announces their fall luncheon at Lamb's Farm October 18, 12:30, \$3.00 a person. Your reservations are now being accepted at 395-2692 and 395-1152 or stop in at the Thrift Shop, corner of Lake and Main Streets.

Get a group together. Come early and tour the bakery and pet shop. Buy some of your Christmas presents in their lovely gift shops. See you there!!!!

ST. PETERS CCD CLASSES

Only those children who have been registered by October 11, will be admitted to class on Saturday, October 13, at 9:30 a.m. Late registration will be admitted on October 20 if class size permits. This includes grades one through six.

SO-CI'E-TY

n.; pl.-TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

FASHIONS, FIGURE 'N FUN TO HIGHLIGHT WOMEN'S CLUB MEET

The Antioch Woman's Club opened the Fall season with a luncheon meeting at the Brae Loch Country Club October 1st. Mrs. George Hahn, club vice-president, chaired the meeting and Mrs. William C. Petty gave the invocation. The 119 attending members were treated to some sparkling entertainment by WGN-TV stars William J. Eichorn and Maria Lagos.

Mrs. Nellie Brogan was singled out for honorable mention as the lone 50 year charter member of AWC.

Interest in the AWC is picking up in the community as evidenced by the growing membership list. There were seven new applications for

affiliation with the club.

The next meeting of AWC will be held Monday, October 15, in the First National Bank's Community Room at 1 p.m.

Following the meeting, a program "Fashions, Figure 'n Fun presented by Ilene Abrams." This live show includes original ideas and suggestions about fashions; novel scarf tricks and household tips; and a one-of-a-kind fashion show. Models will be selected from the attending members.

Members of the AWC will visit the Lake County Home some time in October to hold a birthday party for the oldsters who celebrate a natal day this month.

SILLY HATS AT A PREMIUM

The October 18, social activity planned by the Antioch Welcome Wagon Newcomers Club calls for a change of pace from the metaphysical to the real, from the serious to the frivolous. Members are to satisfy their gustatory propensities and work at their culinary skills and artistic talents for the pot luck luncheon to be hosted by Vice President Sally Channon at her home (586 Hillside) Thursday, October 18 at 12:30 p.m. Each member will bring a luncheon

dish and the meal is to be topped off by what else but a silly homemade hat!

Since most of the participants were exposed to Mrs. Krefft's hypnotic conditioning session held at the October 3, general meeting, the following auto-suggestions might be used: "I'm cooking better and better and the hat I'm making is looking sillier and sillier."

For transportation assistance and further information on this gourmet and fun-packed event call 395-6799.

HOMEMAKERS EXTENSION SEEKS MEMBERS

"If You Take The Trouble - We Can Double" is the slogan of the Membership Drive of the Lake County Homemakers Extension Association that is being conducted during September, October, and November, according to Mrs. Richard Cohrs, Mundelein, County Membership Chairman and committee: Mrs. Marie Straka, Libertyville; Mrs. Thomas Anning, Barrington; Mrs. Carl Cushman, Wauconda; Mrs. Raymond Wegener, Ingleside; Mrs. Gerald O'Sullivan, Lake Villa; and Mrs.

Richard Janssen, Libertyville, President.

At present there are 21 units with about 625 women enrolled in this county-wide educational program. Home Economics Extension is the largest educational organization for women in the world.

Monthly lessons for the Homemakers units are on topics of interest to Homemakers including phases on home management, home arts, and citizenship. They are given by the Extension Adviser, Mrs. Irene Green, or her assistant, Mrs. Betty Commean, or by

unit leaders trained by specialists from the University of Illinois Extension staff.

Lessons on thrifty meals, consumer communication, low-cost decorating, growing and using herbs, car care clinic, and the metric system will be offered in the next few months. Special lessons will include needlepoint, crochet, quilting, terrariums and houseplants, and Food for the Aged.

Membership is open to all women in Lake County. For further information call the Extension Office at Grayslake - 223-8627.

"Big Ed" McKeever (Bob Lindblad) combines physical fitness and work in his Washington office, with the help of his secretary (Sue Allen), in PM & L's production of "The Solid Gold Cadillac" which opens October 20 for a three-weekend run. (Staff Photo)

"SOLID GOLD CADILLAC" PREMIERES SAT., OCT. 20th

LAST CHANCE to see "live-theatre" free in Antioch, Illinois....On October 16th The PM&L Season XIII ticket price goes up and you'll miss the free viewing of the farce comedy production of "Solid Gold Cadillac," slated to open at the PM&L Theatre on Saturday evening October 20th. Other performances are scheduled for October 26, 27, and November 2, 3, all at 8:30 p.m. Phone the theatre at 395-9702 for Last Chance instructions and to make your reservations for the evening of your choice.

The story of "Solid Gold" undoubtedly is a random piece of playwriting, but its kind of improvisation is of the essence in the game of farce. The fairy tale starts....Once upon a time, not so long ago, Cinderella (Mrs. Laura Partridge played by Shirley Jensen of Antioch) goes down to Wall Street with her ten shares of stock to attend a stockholders meeting.. not in a gold coach, drawn by six white horses, but in the NY

subway. The tale ends-much later-with Cinderella's return trip to Wall Street, accompanied by her Prince Charming (Ed McKeever, played by Bob Lindblad of Antioch). However this time, not by subway...but a solid gold Caddy.

PM&L director Bob Bundy has cast Tessa Smith of McHenry as AMELIA SHOTGRAVEN, Mrs. Partridge's secretary; Phil Schwartz of Antioch as MARK JENKINS, the mail room boy; Dena Fabry of Lindenhurst as the beautiful model, Miss L'ARRIERE; Susan Allen of Fox Lake as Miss LOGAN, McKeever's secretary; Rich Becker as the A.P.; Dick Dyer as the I.N.S.; and Dee Baum as the U.P. All the "Press" cast hail from Antioch. The news broadcasters are played by Ken Smouse and Debbie Blanksten of Antioch and Lou Jones from Round Lake Beach, while the "little old lady" who literally stops the show is Carolyn Blanchette of Antioch.

Bits from Barb

By: Barb Olson

The first half of the nine week grading period is over, having been officiated by the distributing of interm reports. Interm reports are given to any student receiving a D or F in a course.

"Back to School Night" was held October 3, for parents to come and visit his child's classes. Each class was five minutes in length with a five minute passing in between classes. It was a good chance for parents to get their own impressions of the teachers, besides the one-sided view their children bring home.

Having no school Friday and Monday gave some seniors the opportunity to go and visit colleges. A few of the colleges visited were Northwestern, Northern, and DePaul.

The Tom-Tom held its first meeting last Monday with lots of freshmen and sophomore girls turning out—only a few fellas. So how about it guys—contact Mr. Chandler right away. Mr. Chandler's journalism classes will be doing alot of the writing for the paper. The first issue will come out around Homecoming.

Tuesday, October 3, voting was held for the three senior class girls who would be on Homecoming court. One of the three selected will be chosen

Sequoit Happenings

as queen. Congratulations to Sheri Tell, Janet Kroepin, and Kathy Toft. Spirit week begins October 15, with Freshmen spirit day. Each class will have one day in which to show how much spirit they have. Friday will be school spirit day. At the end of the week the classes will be judged by the amount of spirit they showed, so the class with the most spirit will win first place.

Yearbook held a work party Thursday evening for all its members. Old yearbook pictures were on sale in the commons for anybody interested in buying them.

Spanish club held its first meeting Thursday after school. During the first meeting of any club, the main goal is to get organized and the Spanish club got very well organized.

A few weeks ago, Mr. Corrigan took his English IV classes to the Arlington Heights theater to see "The Day of the Jackal." It was a really good movie, but it had a disappointing ending for those of us that were feeling blood-thirsty that evening, but it was an interesting movie. On the way home the bus stopped at McDonalds and everybody treated himself.

RAINBOW PRESENTS DONATION TO RESCUE SQUAD

Sue Rigby, Jr. Post Worthy adviser of Antioch Assembly No. 23 International Order of Rainbow for Girls presents Jim Fields of the Antioch Rescue Squad with a donation of \$475, the result of her Rainbow Charity Project.

Greg Pitner, Richelle Radke, Vicki Plotz, Louise Kutz, Sue Plett, Cindy Plotz, Lori Burns, Colleen DeVries, Nancy Ford, Diane Walsh and Pam Plett rode a total of 245 miles in a Bike-A-Thon held on Wednesday, August 22.

Mrs. Bruski, Mother Adviser of Antioch Assembly presented Louise Kutz with a \$25.00 Savings Bond for her effort in collecting \$216.00 from her sponsors.

Sue Rigby, who has moved to Pennsylvania, extends her grateful "Thank You" to all the sponsors, participants, and those behind the scenes who helped to make her charity project such a success.

SOCIAL NOTES

by: Del Jahneke

LAKE SIDE REBEKAH LODGE NO. 82

The Brothers of the Lakeside Rebekah Lodge No. 82 had a pot luck supper in their honor on Wednesday, October 4th, at the Antioch American Legion Home. All members were happy to see Mrs. Earl Horton at their meeting, after her long illness, but they were saddened that they had to "Drape the Charter" in memory of Mrs. Ollie Tweed, a devoted loyal and long time Rebekah member. Mrs. Charles Ferris, Noble Grand, conducted the meeting.

Mrs. Bessie Scott of Pascagoula, Mississippi, visited her daughter and family, the Frank Cunningham's, Grass Lake, for this last week. Bet

there was a lot of visiting done!

QUESTION: What talented, attractive lady from Antioch received a nice compliment from the leading gentleman of the state (Governor Dan Walker) at Saturday's "Counselors' Ball, held at the Drake Hotel in Chicago. **HINT TO THE ANSWER:** This lady recently underwent painful surgery on her right hand, requiring 18 stitches.

Our condolences to Mrs. Ralph Field, in the loss of her sister, Mrs. Ollie Tweed, and to the John L. Horan family. John's brother, James, lost his wife, Agnes, last week.

Hope those fingers of yours heal quickly and as painlessly as possible, Lyle Wilson! Nobody enjoys losing their finger tips to a table saw.

CUB SCOUT PACK 192 PRESENTS AWARDS

Cub Scout Pack 192 presented the following boys with awards at the September Pack Meeting: **BOBCAT**—Andrew Biel, Donald Borst, Ken Watson, Jr., William Carney, Tom Risch, Michael Mohr, Mark Mohr; **GOLD ARROW**—George Bessette; **SILVER**

ARROW—George Bessette, Frank Petykowski, Jeff Berchtold (2); **1 YEAR PIN**—Scott Baur, David Syria, Cary Scharlau, Bob Gillman; **WOLF BADGE**—George Bessette; **WEBELOS RIBBON**—Mark Williams.

CARTHAGE PLANS COLLEGE NIGHT

Carthage College will host a unique new 'College Night Program' for interested college-bound high school juniors and seniors from the 15 high schools in Kenosha, and Racine counties at Carthage's Phys-Ed Center, October 16, from 7 to 9 p.m.

The mammoth 'College Night Program,' will have Carthage playing host to 45 college and university representatives from Illinois, Wisconsin, Iowa, Indiana and Minnesota. It is Carthage's hope that the new program will relieve some of the counseling time and pressure that has been experienced by over-worked high school counselors

with their prep students and the visiting college and university admissions recruiters.

The colleges and universities which will send representatives to Carthage, October 16, by state:

Wisconsin—Carthage, Carroll, Alverno, Beloit, Cardinal Stretch, College of Racine, Marion, Edgewood, Lakeland, Marquette, Milton, Milwaukee School of Engineering, Concordia, Ripon, St. Norbert, UW-Eau Claire, UW-Green Bay, UW-Madison, UW-Oshkosh, UW-Parkside, UW-Whitewater and Viterbo.

Illinois—Augustana, Barat, Blackburn, Bradley, Elmhurst, Illinois Wesleyan, Knox, Lake

Forest, Lewis, Loyola, Millikin, Monmouth, National College of Education (Evanston), North Central, Rockford, Rosary, Trinity, University of Chicago and Wheaton.

Iowa—Coe, Luther and Wartburg.

Minnesota—Hamline. Indiana—Valparaiso.

Though Carthage's Admissions Office has sent out specific invitations only to the 15 high schools in Kenosha and Racine counties, any college-bound junior or senior from high schools in the northeastern Illinois area (specifically the communities of Waukegan, Zion, Antioch, Grayslake, North Chicago, Libertyville and Mundelein) are welcome to attend the 'College Night Program.'

United Way Film to be Shown on National TV

The ABC network will present the United Way's 1973-74 campaign film, The Turning Point, starring Cliff Robertson, on Sunday evening, October 14, at 10:20 p.m., following the ABC Sunday Night Movie.

Interested parties may schedule this outstanding movie for clubs, organizations, schools, plants, etc., by calling the Lake County United Way office at 662-3580.

NEW ADDRESS - 120 Rt. 173

ANTIOCH, ILL. 395-3600

(Week of Oct. 12-18)

ARIES (March 21-April 20): Favorable period of personal projects. Watch your grooming. You can make an impression on someone at a social event. Career signs indicate little change from routine. Be cooperative with associates. Best days: Saturday, Wednesday.

TAURUS (April 21-May 20): Moon is in your sign early part of period. Stick to tasks at hand and complete projects you've started. A good time to work on financial affairs. Not especially favorable for romance or social activities. Best day: Tuesday.

GEMINI (May 21-June 21): Persons born under your sign are usually stable and well adjusted. You may need to call on those qualities this week. Affairs of children, relatives could require attention. Also a good time to renew an acquaintance through correspondence. Best days: Friday, Thursday.

CANCER (June 22-July 21): Gossip about others should be ignored. It can create discord. Be careful if traveling over weekend. Work projects started now should go well, especially those involving home improvements. Best days: Friday, Tuesday.

LEO (July 22-Aug. 22): You have a practical streak that sometimes irritates others, especially loved ones. Indulge yourself a bit this week. An evening out or a party is just the tonic to boost morale and give you a much needed break from routine. Best days: Sunday, Thursday.

VIRGO (Aug. 23-Sept. 22): Avoid disagreements with family members. Accept social invitations. Later in week, a fortunate turn of events could improve financial prospects. Be prepared for career or business opportunities. Best day: Tuesday.

LIBRA (Sept. 23-Oct. 22): Solar signs favor the Libra this week. Personal affairs can run smoothly if you use tact where appropriate. Creative cycle is high and you can score a hit at a social event with your charm and wit. Best day: Sunday.

SCORPIO (Oct. 23-Nov. 22): Family problems could be bothersome. Be sensitive to moods of others and take one problem at a time. Things perk up later in week. A talent which you possess could be in the spotlight and earn recognition for you. Best day: Monday.

SAGITTARIUS (Nov. 23-Dec. 21): Romance and social activities loom large. But be sure to schedule enough time for rest and to attend to duties at home. Work should be less of a chore, especially if you keep a cheerful attitude! Best days: Friday, Wednesday.

CAPRICORN (Dec. 22-Jan. 20): A quiet period indicated. An excellent opportunity to catch up on home improvements, repairs. Domestic affairs may require much attention, perhaps including helping solve a relative's problem. Best days: Monday, Tuesday.

AQUARIUS (Jan. 21-Feb. 18): Moon in your cycle is a time for reflection. Don't allow flights of fancy to interfere with sound judgment, especially concerning career matters. Not an auspicious time for major changes. Best days: Tuesday, Wednesday.

PISCES (Feb. 19-March 20): Creative cycle is high. Stick to any projects you've started. You may be surprised by the favorable outcome. Your intuition is the best guide now. Best days: Saturday, Thursday.

Bill Thompson of ANTIOCH, 1st Assistant Superintendent, Educational Service Region, discusses the county-wide school's divisions goal with James S. Kemper Jr., president of the Kemper Insurance Group, Long Grove.

Mr. Kemper Jr., was the key note speaker at the United Way Kick-Off dinner held this past week at the Waukegan Sheraton Inn in Waukegan. Thompson is co-chairing the schools' division, one of 18 separate divisions in the United Way campaign, with Dr. James Capra, director of elementary education with Waukegan schools, district 60. At the kick-off the United Way reported reaching \$249,454, or 31.3 percent of their goal of \$795,641.00.

1973 DELINQUENT TAX LIST

STATE OF ILLINOIS

COUNTY OF LAKE

Public notice is hereby given that I Robert G. Skidmore, County Treasurer and ex-officio County Collector of Lake County, in the State aforesaid, will apply to the Circuit Court of said County on Monday, the 29th day of October, A.D. 1973, for judgment fixing the correct amount of any tax paid under protest and for judgment against the lands and lots mentioned and described in the following list of delinquent lands and lots for the general taxes for the years 1910 through 1972 both inclusive, together with interest, penalties and costs due severally thereon and for taxes, drainage and special assessments due for the years 1914 through 1973 both inclusive together with interest, penalties and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the 2nd of November A.D. 1973, to wit: on the 12th day of November A.D. 1973, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the building where said Circuit Court is held in said County in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, drainage, special assessments, interest, penalties and costs due severally thereon, except such as shall have been paid at said time of sale. (Due to the fact that Monday, November 12th will be observed as a legal holiday, said sale shall commence at 9 o'clock a.m., Central Standard Time, on Tuesday the 13th day of November and to continue from day to day until the same shall be completed and if for any cause such judgment shall not be rendered on the said 29th day of October then such sale will be made on the first Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such first Monday.)

Costs on each tract or description of land three dollars; on each lot or description of lot two dollars. Also interest at the rate of 1 percent per month will be added after July 20th on the first installment and 1 percent per month on the second installment after September 1, 1973.

Fox Lake Lumber Co. Burns

The mutual-aid agreements among volunteer fire departments in northwest Lake County were put to use when the Fox Lake Lumber Company building burned to the ground last Friday. Billowing smoke from the fire in the heart of downtown Fox Lake could be seen 8 miles away in Antioch. Although men and equipment from Antioch, Round Lake and Long Lake aided the Fox Lake department, the fire was too far along in the old, wooden structure to be contained. For the most part, the men merely kept the flames from blazing too far out of control as they leveled the building which had been slated for removal anyway. In the photo above, Antioch fireman Bill Georgesson assists a Fox Lake fireman on the hose. (Staff Photo)

Name	Description	Amt.
Leon S. Sex & Co.	BLOCK 14	
Tract No. 0411131606		337.17
STATE OF ILLINOIS)		
COUNTY OF LAKE)		

I, Robert G. Skidmore, hereby certify that I am County Treasurer and ex-officio County Collector of the County of Lake, in the State of Illinois, and as such the keeper of the records of said office and that the foregoing is a list of delinquent lands and lots upon which taxes remain unpaid and due for the year or years 1910 through 1972 both inclusive together with the owner's name, if known, and the amount of tax due thereon.

Dated at Waukegan, Lake County, Illinois this 28th day of September, A.D., 1973.

ROBERT G. SKIDMORE
COUNTY TREASURER
AND EX-OFFICIO
COUNTY COLLECTOR
October 10, 1973

LEGAL

CLAIM NOTICE
In the Circuit Court of the
NINETEENTH JUDICIAL
CIRCUIT, LAKE COUNTY,
ILLINOIS

PROBATE DIVISION
ESTATE OF JOHN W. YOPP,
Deceased, FILE NO. 73P-33.

NOTICE IS GIVEN of the filing of a Supplemental Inventory of assets of the above estate not previously described in any inventory. The Executor is Trudy Petty, Town Line Road, Antioch, Illinois, whose attorney is Larson and Lumber, 388 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, on or before November 5, 1973. Any claim not so filed by that date is barred as to the assets listed in such Supplemental Inventory. Copies of claims must be mailed or delivered to the Executor and to the attorney.

STEPHANIE SULTHIN
Clerk of the Circuit Court
October 10, 1973

With A "Stern Eye"

I don't want you to think it's a neurotic preoccupation or anything, but it might be of general interest to note that one year ago tonight, at 7:25 p.m., on my way to an I.Q. Clinic in Winnetka, I smoked my last cigarette. When you consider that I have longed for

a smoke every one of the 365 days since, it seems quite a feat.

With the distant glint of another campaign year on the horizon, I fear for my good resolve. The first time I quit was in 1966 - October 12th - right in the middle of a fairly ghastly time of my life. I stopped. Just like that, and without thinking about it very much. I suppose I must have been psyching myself up unconsciously, preparing for the grand renunciation.

I didn't have another cigarette for four smug years. Count 'em - F-O-U-R! Then came my campaign for County Clerk - the ceaseless round of coffees, speeches and fits of self-doubt, somewhere along the way I took a drag of someone's cigarette; smoked half a one the next week; another one the week after; then two. And the jig was for sure up! Or to use a more

accurate analogy - McCarthy'd had the drink! Before you could notify Ashtrays Anonymous, I was back to a pack and a half a day. Until one year ago tonight.

Of course that is only one reason for this dread foreboding as we approach the festive elective season. 1974 also means that those of us who run elections must rally our powers of extra-sensory perception and bring them to bear on the projected activities of the Legislature.

For instance, the General Assembly passed a bill last session which would permit County Boards the option of consolidating their own County Board Primary and General Elections (now scheduled for February 12 and April 2, 1974) with the County State and National Primary and General Elections (scheduled for March 19 and November 5). The Governor has used his amendatory veto - a whole new and fascinating concept - to urge the General Assembly to remove the option from this bill - and make the consolidation mandatory. Each county-wide election in Lake County in 1974 is going to cost our beleaguered taxpayers approximately \$90,000; so by mandating this consolidation the Governor and the General Assembly, if they concur, will save Lake County one half of its Elections expenditure.

So far so good. There are three possibilities now: if a majority of the legislators agrees with the Governor, the County Board Primary will be held on March 19th and the election on November 5th. There will be no election in February or April.

If a majority does not agree, the bill will be considered as any other vetoed bill - i.e., it will require the vote of 3/5 of the members of each house to override the veto. If that should happen, the original bill would be restored and consolidation of the elections would be optional - a decision to be made by each County Board.

If a majority does not agree with the Governor - and if 3/5 of the legislators do not choose to override the veto - Lake County and every other Illinois

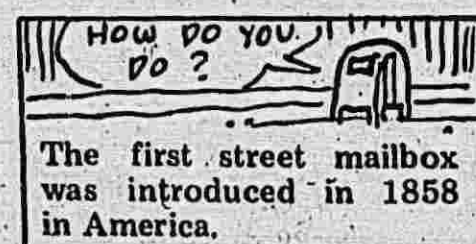

county under township form of government will conduct and pay for four elections in 1974.

The Legislature is re-convening in special session on October 15th to deal with this and other similarly vetoed bills. Because the filing dates for the County Board Primary - if it is to be held on February 12th - are November 5 through 12, there will be considerable pressure to get an answer - almost any answer - from the Legislature. The facts of political life are not always simple and those members of the Lake County Board considering reelection in 1974 are faced with a number of imponderables. For instance:

Board Member X, a Republican in a swing (equally divided) District, might file as an Independent or part of a new-party slate in this year of the Watergate if the Elections are to be held apart from the County, State and National Elections. He would then attract the votes of Independents and some Democratic friends. If he is running with the state ticket however, in March and November, he will for sure want to file as a Republican to get the benefit of those straight party votes (38,389 Republicans in November '72). On the other hand, a Democrat in a Republican District who has always run as an Independent will be apprehensive about his chance for survival without the backing of either party when he is at the bottom of a long national election ballot.

And our candidate is going to have to make this decision before he can start circulating his petitions - which are due, signed, in the County Clerk's office the week of November 5th. It's a real political conundrum.

And I may take up snuff...

Obituaries

MR. STEPHEN T. McNICHOLS—69 yrs. old of 561 Highland Ave.—Antioch, Ill. passed away on Sunday, October 7th at Victory Memorial Hospital. He was born July 22, 1904 in Chicago, and had resided in Melrose Park, Ill. before moving to Antioch in November 1957. He is a member of Faith Evangelical Lutheran Church. Mr. McNichols had been employed for 20 years in the tool crib of International Harvester Co., and had worked for 5 years as a custodian for John Teresi Chevrolet in Antioch until his retirement 1 year ago. He married Loretta Lawrence on October 25, 1949 in Melrose Park, Ill. and she preceeded him in death on March 10, 1973. 1 brother and 2 sisters also preceeded him in death. His only survivors is his mother-in-law Mrs. Carolyn "Carrie" Lawrence (Antioch).

Funeral services will be held at 1:30 p.m. Wednesday (October 10, 1973) at Faith Evangelical Lutheran Church in Antioch. Rev. Kent Schroeder of that church will officiate. Interment will be in Arlington Cemetery at Elmhurst, Ill.

L.D. HARRISON RAMSDELL—52 years old of Camp Lake Gardens, Trevor, Wisc. passed away Wednesday, October 3 in Kenosha Memorial Hospital, Kenosha, Wisconsin after an extended illness. He was born May 23, 1921 in Chippewa Falls, Wisconsin the son of the late Mr. & Mrs. Harry Ramsdell. He had lived in Elgin, Illinois and Milwaukee, Wisconsin before moving to Camp Lake 25 years ago. He married Delores Prey on July 3, 1943 in Milwaukee, Wisconsin. He was employed as a machinist for the J. I. Case Co. of Sturtevant, Wisconsin for the past 11 years and was a member of the United Auto Workers Local No. 180.

Survivors are his wife Delores; 1 son Joel (Kathleen) Ramsdell of Pell Lake, Wisconsin. 3 Daughters: Mrs. Gerald (Susan) Dowdy (Milwaukee); Mrs. Robert (Eldeen) Snarski (Trevor) Mrs. Ronald (Candace) Weesinger (Bristol) 3 Brothers: Darwin, Quentin & Curtis (All of Milwaukee) 6 Grandchildren also survive.

Funeral services were held Saturday, October 6 at 11 a.m. at the Strang Funeral Home, Antioch, Ill., The Rev. Philip Borleske of Christ Lutheran Church of Paddock Lake, Wisconsin officiated with interment being private.

MR. GEORGE H. CAMPHOUSE—77 years old of Antioch, Ill. passed away on Friday, October 5 at his home at Little Silver Lake suddenly from a heart attack. He was born November 22, 1895 in Chicago, Ill. and moved to Antioch in 1950. He had worked as a chauffeur for many years in Chicago, and the past 12 years for Lyons & Ryan Ford Agency in Antioch as a maintenance man. He married Rose Pertle on December 16, 1916 in Chicago.

Survivors are his wife Rose—1 daughter Mrs. Jeanette (John A.) Westhoff (Antioch, Ill) 2 sons George A. Camphouse (St. Augustine, Florida)—Robert A. Camphouse (Daytona Beach,

Florida)—1 brother Joseph Camphouse (Chicago)—13 grandchildren, & 4 great grandchildren. He was preceeded in death by 3 sisters Clara Bere—Anna Calderwood, Theresa Marema and by 2 brothers John & Nicholas Camphouse.

Funeral services were held at 11 a.m. Monday, October 8th at Strang Funeral Home in Antioch with Rev. Ray Kotwicki of the Salem Methodist Church officiating. Interment was in Liberty Cemetery.

HORAN—Mrs. Agnes B. Horan, aged 75, wife of James F. Horan, of 0-735 W. Leonard Road, Grand Rapids, Michigan and formerly of Antioch, Illinois passed away Sunday afternoon September 30, 1973 at St. Mary's Hospital. Besides her husband she is survived by one brother, Walter Fritz of Grand Rapids, and five sisters, Mrs. Rupert (Cecilia) Brown, Mrs. Edward (Mary) Herrmann, Mrs. Alfred (Augusta) Schmitt and Mrs. Clarence (Estelle) Cran, all of Grand Rapids, and Mrs. Clem (Florence) Gray of Traverse City, Michigan.

Funeral Mass was offered in St. Mary's Church with interment in Rosedale Memorial Park.

MR. FRANK X. WIRTH 67 - MRS. REGINA A. WIRTH 70, of 267 Oakwood Drive, Antioch passed away in McHenry Hospital after sustaining injuries in an auto accident. Mr. Wirth was born in Germany on June 3, 1906 and passed away on Saturday, October 6, 1973. Born in Germany also on October 19, 1902, Mrs. Wirth passed away on October 4.

The Wirth's were member of St. Peters Catholic Church in Antioch.

Survivors are 3 sons - Charles of Chicago, Frank, Barrington and William, Lake Zurich. 1 daughter, Mrs. Marshall (Regina) Galaher Jr., of Lake in the Hills Illinois and 10 grandchildren. Surviving Mr. Wirth are 2 brothers, Anton in Germany and Charles of New York and 3 sisters in Germany.

A double funeral was held from the Wait-Ross Allanson Chapel in Algonquin. Requiem Mass was said in St. Margaret Mary Catholic Church, Algonquin, Illinois. Interment was in Algonquin Cemetery.

IN MEMORIAM

In Loving Memory of our Dear Son Melvin (Butch) Wohlfeil Who Passed Away 19 years ago on October the 14th, 1954.

When evening shades are falling and we sit in quiet all alone, to our hearts there comes a longing if he only could come home. From this land of pain and sorrow to the land of peace and rest, God has taken you Dear Son where you have found eternal rest.

Lovingly Remembered and Deeply Missed By
Dad, Mom, and Sisters:
Elaine, Lois, and Judy

CHRISTIAN SCIENCE CHURCH

What is the cause of disease, and what is its cure? The Lesson-Sermon this week entitled "Are Sin, Disease, and Death Real?" is a great help to your questions.

Jesus provide that Man is made in the image and likeness of God, who is Life and Principle. From Science and Health with Key to the Scriptures by Mary Baker Eddy, we read: "The great spiritual fact must be brought out that man IS, not SHALL BE, perfect and immortal. We must hold forever the consciousness of existence, and sooner or later, through Christ and Christian Science, we must master sin and death."

Members of First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 a.m. All are welcome.

"A MARRIAGE SAVED BY RELYING ON GOD."

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

THE

TRUTH

THAT HEALS

"Kindsight's Better Than Foresight"

There are many new families moving into the Village of Antioch. They are new citizens in a new community. Our modern sciences are moving all of us into a new world of the future.

Since there will be a new world there must also be new men. Those who want to be a part of the new world have to encounter themselves, take a

good look at themselves as human beings, as Christians. We have to know ourselves and where we are in relation to the goals of life that we have set.

Only after we have a picture of where we are right now can we use the proper means of trying to become the new men who will live in the world of the future. We must build on a solid foundation. If we don't we will get so far only to come tumbling down.

Since we are dependent beings, dependent on God through each other, we come to know ourselves and others through human activities. As soon as we get involved in human activities we usually run into gaps between words and actions. This is when trust and faith must enter in. All of us are striving to become new men and because we are striving there will be mistakes. So there will be gaps and if we're looking for them we'll find them. However, if we're looking for the positive characteristics of our fellow man we'll find them and perhaps even be inspired to do as well.

ANTIOCH RESCUE SQUAD CON-TRIBUTORS

Recent contributors to the Antioch Rescue Squad were:

Police make Marijuana arrest

Richard Brasfield, 713 Lake Street, was arrested in connection with the possession of marijuana Sunday, October 7.

Police went to Brasfield's apartment after an anonymous phone caller told them a "pot

party" was in progress.

The warrant was issued for possession of less than 2.5 grams.

Bond for Brasfield, 20, was set at \$1,000. His court date is October 18, in Waukegan.

ADMISSIONS CLOSING AT SIU TECHNICAL SCHOOL

It's going to be tough to get into the new School of Technical Careers of Southern Illinois University at Carbondale.

That's the word given to high school guidance counselors throughout the state by STC Dean Arden L. Pratt.

In a letter sent to the counselors this week, Pratt pointed out that the combination of an influx of students and budget restrictions on facilities and faculty had

forced closing of admissions to 13 of the school's 19 associate degree programs this year.

"Since we do not foresee relief of this situation in the near future, we suggest that students apply for admission as early as possible during their senior year at your high school," he said in the letter. "It may well be that most of our programs already will be full for the 1974-75 school year by the time your students graduate next June."

The editor of this paper might be willing to lend you his copy of The Christian Science Monitor.

But don't count on it. He's an expert newsman with access to many news sources and a good paper of his own. But he still wants to get the Monitor's worldwide coverage and commentary on events.

Apart from 2,711 editors, there are 20,000 educators and students, 82,000 businessmen, 495 U.S. Senators and Congressmen, 3 Supreme Court Justices who read the Monitor. Why should they know more of what's going on, and why, than you do?

For less than 11¢ a day, you can get your own special insight into the news. Everyday, like they do.

Send me 4 months of the Monitor — over 100 issues — for only \$11.

Data Processing for Executives

The College of Lake County is offering a two credit hour course designed to brief executives and managerial personnel with the basics of data processing and modern computers. "Data Processing for Executives" starts Wednesday, October 17, at 7:00 p.m. in room 608 on the Grayslake campus.

In this eight-week course the executive-manager can gain an overview of the ever-expanding field of data management and discover applications of data processing suitable to his or her business needs.

Persons interested in registering, are asked to call the college community services office at 223-6601, extension 17.

Ms. Crockett is Financial Aids Assistant

Barbara "Davy" Crockett is the newly appointed assistant director of financial aids at the College of Lake County.

Ms. Crockett came to CLC recently from the Yale University School of Medicine where she served as research assistant.

She holds a bachelor's degree in mathematics from Bucknell University and a master's degree in mathematics education from Harvard.

"I found out about CLC and several other community colleges from the Higher Educational Resources Service in Washington, D.C. This is funded by the Ford Foundation and matches colleges with qualified women throughout the country," Ms. Crockett stated.

"I focused on the College of Lake county as it seemed the

most promising situation," she said.

She related that there is more responsibility in her CLC position than there would be in a comparable one in a larger school. She also is impressed by the "sense of community" at CLC.

Of her duties she said that "we want to make certain no one is turned away from an education for lack of funds."

INDIAN SUMMER FESTIVAL THIS WEEKEND

The leaves have started to change their colors in the Geneva Lake Area just in time to provide a backdrop for the annual Indian Summer Festival, to be presented Friday, Saturday and Sunday, October 12, 13 and 14, by the Geneva Lake Area Chamber of Commerce.

Robert Couch, Executive Vice President of the Chamber, predicted that the coming festival will break all existing records in attendance. He said all efforts have been made to provide guests with the best fall outing possible. There will be kiddie rides for the youngsters, and hikes are scheduled for the athletically inclined. Flat Iron Park also will have a bratwurst and pig roast, to be sponsored by the archers of the area. In addition, merchants and business houses will sponsor demonstration booths and sales counters in a gigantic street sale, Saturday. An excellent exhibit of the latest snowmobiles and snowmobile equipment is expected to attract the interest of many visitors.

On Sunday, some of the nation's finest power boat operators will gather in Lake Geneva to participate in a race to prove who is the best pilot and which boat is the fastest of the entrants. There will be no admission charge to view the race.

Sequoits in another one-point loss

"We just can't get the bloom'ln breaks," moaned Antioch Head Coach Roy Nelson in his quiet locker-room office two days after the Sequoits dropped a 15-14 decision in Lake Zurich.

"Always the bridesmaid, never the bride," he went on. It was the third game this season Antioch has lost by one point. Earlier the Sequoits lost successive 7-6 decisions to Woodstock and Warren. Nelson doesn't blame his team. He admitted that mistakes were made, but he said, "the kids played their hearts out."

And indeed they did. Antioch overcame a 12-0 deficit midway in the second quarter to make a thriller of it. In the end, the game was decided on a Lake Zurich 19-yard field goal that barely cleared the posts.

Lake Zurich scored on their first set of downs, starting the drive on their own 25-yard line and ending it 15 plays later on a three-yard plunge by Jim Harrington.

Then with 8:44 left in the half they tallied again on an 11-yard pass play from quarterback Pat Murray to Ken Pugh. That made the score 12-0 and things looked rather bleak for the Sequoits, who had the ball for only four offensive plays in the first quarter.

In the second quarter Antioch finally began to move, however. With 4:43 left in the half Sequoit quarterback Darrell Channell sneaked in from two yards out to tighten the gap to only a touchdown.

Lake Zurich's Scot Brauning booted the all-important field goal late in the third quarter to give the Bears some comfort—but only for awhile.

Stubborn Antioch came right back and put six more on the board with just 3:21 to go in the game on a Channell-to-Bob Bailey 17-yard touchdown pass. Moments later, after a 15-yard offside penalty was called against Lake Zurich on Anti-

och's first conversion attempt, the ball was replaced on the Bears' one and a half yard line and Bailey powered over the middle for a two-point conversion. Antioch now trailed by a single point.

The Sequoits had just begun another drive when time expired.

Antioch now has a 1-4 record which could very easily have been 4-1-1. Besides the three one-point losses was the 14-6 season-opening defeat which was lost in the last 24 seconds.

Nelson praised his team despite the latest setback. "These kids can come back up," he said. "The attitude of these kids here at Antioch over the years has been just great. They don't give up."

Nelson gave special recognition to Floyd Davis who carried nine times in Saturday's game, gaining 20 yards. Davis also caught four passes for another 20 yards.

Bailey was the workhorse, however, rushing 15 times for 38 yards and catching two passes for 28 yards.

Mike Jones added six yards rushing, and Channell, who usually runs well for a quarterback, was dumped behind the line of scrimmage several times for a net loss of ten yards. Channell, however, was sharp passing, hitting on seven of 14 attempts.

One area in which the Sequoits had trouble was punting. Dan Huntington kicked seven punts for 167 yards—an average of only 23.8 yards per punt.

"He just had a bad day," explained Nelson, "because this kid is averaging about 40 yards a kick."

All in all, Nelson said he thinks his team did a fine job against Lake Zurich, who is now tied with Warren for the conference lead—especially the defensive unit.

"Our kids played against the finest quarterback in the conference," Nelson said, referring to Lake Zurich's

CLC GOLFERS TIED FOR CHAMPIONSHIP

The College of Lake County golf team pushed its consecutive duel meet win streak to 58 with easy victories over Skyway Conference foes, Triton and Elgin, at Elgin's Spartan Meadows golf course, October 2.

The Lancers, currently tied for the conference leadership with Mayfair College with a record of 6-0, finished with 301 total strokes, while Triton and Elgin had 334 and 355, respectively.

Chris Marszalek, Bruce Johnson, and Chuck Irons led the Lancers with identical scores of 75.

CLC's conference dual meet competition ends Thursday, October 11, when it hosts Mayfair at Mundelein's Countryside golf course.

ANTIOCH CROSS COUNTRY TEAM HOSTS TRI MEET

The Antioch Cross Country Team hosted a tri-meet October 4th, at Fox River Park, against Warren and Woodstock. The guys ran a good race against the two schools. Both frosh-soph and varsity placed second with Woodstock 1st and Warren 3rd. For the frosh-soph race the top runner was Bob Dubek, who finished 9th. In the varsity race the top runner was Mike Harland finishing 4th.

Also in the varsity race a new course record was set by Bob Wertz of Woodstock. His time was 15:56.6 beating the old time of 16:45.

6-foot-1, 165-pound Pat Murray. The Sequoit secondary held Murray to only one touchdown pass. Murray, who leads the conference in that department, with 11, has had as many as four in one game this season.

Antioch also forced the Bears to turn the ball over twice on fumbles, which were scooped up by Brandy Abear and Davis.

The Sequoits picked off two Murray passes—one each by Tom Pocrnich and Frank Pleviak.

A tremendous controversy has arisen lately in the football world regarding the value of the field goal to the game.

Asked whether he believed the field goal is a good thing for football, Nelson replied he did even though it was the field goal which killed Antioch Saturday.

Nelson said it was fine if a team had someone who could kick a field goal. "I've got a kid (a field goal kicker)," Nelson stated, "but he doesn't have any confidence in himself." Nelson was referring to junior Mike Grindley, an athlete Nelson said he believes has all the skills and talent to be a fine field goal specialist the rest of this year and all of next.

Can Antioch, now 1-4, still end with a winning season?

"I know we can if we get a break," Nelson quickly answered.

To do it Antioch would have to win all its remaining games.

Next Saturday, October 13, the Sequoits take on Wauconda at home in the annual Parents' Day game.

WRESTLING SUPERSTAR, THE CRUSHER, HEADLINES ANTIOCH SHOW OCT. 24th!

One of pro-wrestling's most famous multi-million dollar SUPER STARS, The Crusher, has been signed to headline a 4-bout all-star card at the Antioch Community High School gym, Wednesday night, October 24th.

The Crusher, who only last September 29th at the Milwaukee Arena attracted the all-time gross receipts indoor record for that building when 12,330 fans paid \$64,000 to see him in a tag-team event, will take a tag partner for his 2 out of 3 fall main event October 24th in Antioch. Bull Bullinski, the Crusher's close friend and former Chicago truck driver will team with Crusher against the outstanding Japanese tag-team now campaigning in America, Mitsu Arakawa and "Kung Fu" Saki.

A girl's match will also be on the card according to Chicago promoter Bob Luce who is

co-operating with the Antioch Chamber of Commerce in bringing the first big-time pro-wrestling attraction to the Community H.S. gym. Tania West, former Hollywood stunt girl, who measures 50-32-36 and ranks No. 3 in the World as a lady wrestler will tangle with black female mat star Princess Jasmine of Chicago, formerly of Kingston, Jamaica.

In a special event famous TV wrestling star Yukon Moose Cholak will meet up-and-coming young Cowboy Parker of Detroit. Cholak has been in Japan the past two months meeting the top oriental stars and this will be his first American match since August.

Advance tickets are now on sale at the State Bank of Antioch, John Teresi Chevrolet and Olds, and Walsh's All Seasons. At the Bank of Waukegan and in Kenosha at the First National Bank. The card will start at 8 p.m.

Antioch's Freshmen football teams posted big wins last week. On Monday, October 1, the "B" team beat Grayslake by a score of 22-12. Wally Wallraf was the man of the hour as he scored 20 of the points on three touchdowns and one two-point conversion. Steve Pilcher scored the other P.A.T. Except for two lapses in the defense, which allowed the Rams to score, Antioch completely dominated the game. John Grippando did a good job at quarterback to keep the team moving. Most of the team contributed to the strong defense. The "B" team record is now 3-0-1.

On Friday, October 5 the "A" team played a fairly good Lake Zurich club. Antioch took the opening kickoff and marched 56 yards in 11 plays. Todd Ten Eyck plunged in from the two for the score. Antioch then became lethargic as three fumbles and a pass interception kept them from mounting any type of drive. Meanwhile the Bears scored on a pass and the halftime score was tie, 6-6.

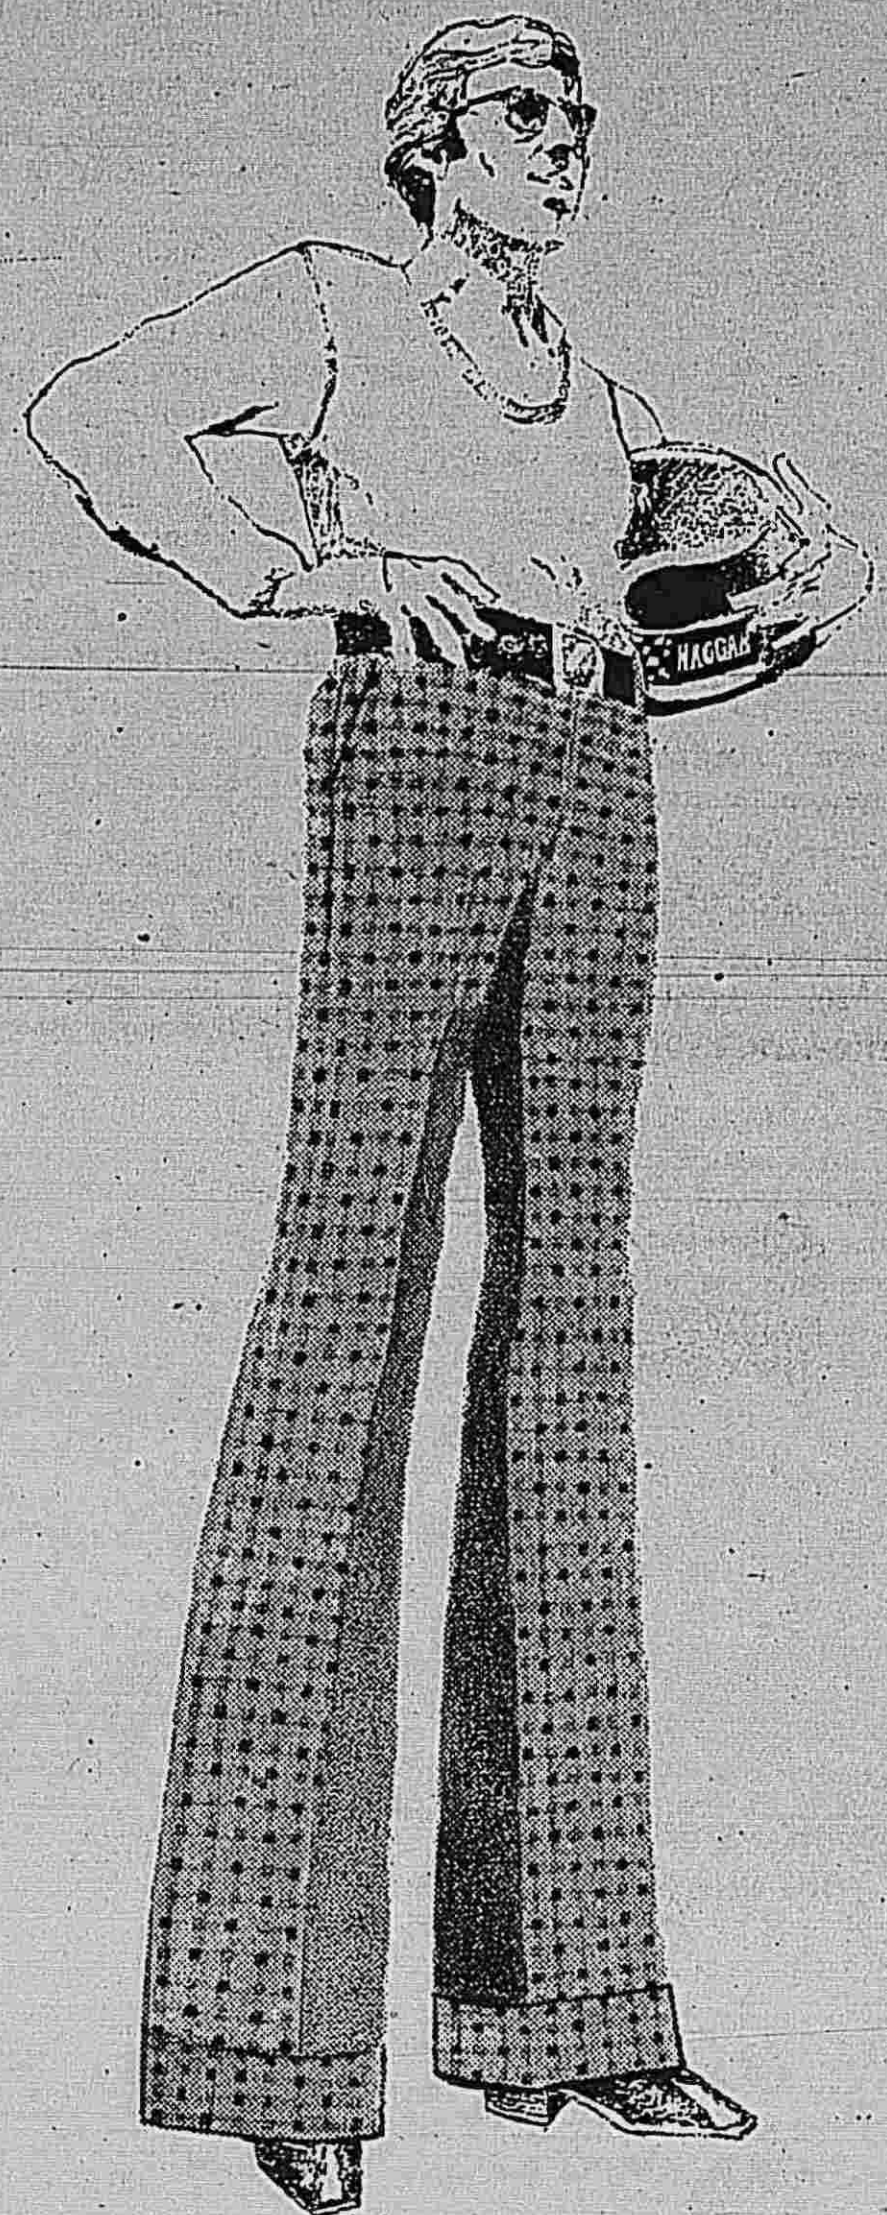

After a few encouraging words at halftime from Coach Hahn, the junior Sequoits began to awaken. Gary DiSilvestro blocked a Lake Zurich punt in the Bear endzone for a two point safety. From this point on, the game was no contest. Ten Eyck burst in from the one yard line for Antioch's second T.D. A short time later after a Bear punt, Bruce Kecskemety went one yard for a score. Bruce had set the TD up with a 37 yard gain right up the middle. He also added the P.A.T. Antioch now led 22-6.

Following an interception by Wally Wallraf, who ran the

ball back to the Lake Zurich 13 yard line, Kecskemety scored in two plays. Antioch's last score came late in the game. Four plays covering 78 yards, the big one a 58 yard TD run by Rich Bailey, ended the Sequoit TD parade. Wallraf concluded the scoring by adding the P.A.T. The final score was Antioch 36, Lake Zurich 6.

Coach Norm Hahn was extremely pleased with the second half play of his team. "I thought we relaxed after our first TD" he remarked. "We didn't really get started again till the fourth quarter. I

felt our double platooning was a factor since we were still fresh at the end." Coach Hahn also praised Brian McGrain who filled in for the injured Mark Stewart at quarterback. "Brian was nervous and made mistakes but he got the job done. Also Wally Wallraf did a super job as the monster on defense. He led the team in tackles and assists and intercepted two passes. Actually the whole team really played ball in the fourth quarter." Marty Esposito, John Kakacek, and Dave Zitkus aided the cause by recovering Bear fumbles. The "A" teams record is now 5-1.

ANTIOCH'S
"PICK-A-WINNER"

CONTEST

\$5.⁰⁰ Weekly Winner

RULES OF THE GAME

This contest is open to everyone except employees and families of The Antioch News. Each week choose what you think the score of the coming game will be. Mail your entry form or reasonable facsimile to P.O. Box S, Antioch; or bring it into the Antioch News Office. Closest estimate wins. In case of winning score ties, the winning name will be drawn from a hat. Entries must be in the office or postmarked before the game. Winners will be announced in the following paper on this page.

This contest is sponsored by the following merchants:
